PROFESSIONAL SUMMARY

Motivated university student with hands-on experience in HTML, CSS, and JavaScript. Built interactive projects like a Tic Tac Toe game, showcasing strong problem-solving and UI skills. Eager to grow in front-End development and contribute to real-world projects

EXPERIENCE

❖ FRONT END PERSONAL PROJECT

DEC 2024-JAN 2025

Developed a **Currency Converter Web App** using HTML, CSS and JavaScript. Integrated API for real time exchange rates. Focused on responsive design and user-friendly interface.

❖ FRONT END PERSONAL PROJECT

NOV 2024-DEC 2024

Created basic **Rock, Paper, Scissors game** using HTML, CSS, JavaScript. Implemented core game logic with conditionals and DOM manipulation. Strengthened the understanding of JavaScript Functions and event handling techniques.

❖ FRONT END PERSONAL PROJECT

OCT 2024-NOV 2024

Developed a responsive, browser-based **Tic Tac Toe game** for two players.
